

Personregister till Quickologi

av Göran Lambertz, den 28 december 2015

Nedanstående förteckning avser den tryckta upplagan av Quickologi (april 2015), således inte det extramaterial som finns på hemsidan. De personer som nämns enbart i efterordet till boken (s. 494-496) finns inte med i personregistret. – I registret finns säkerligen en del luckor och inkonsekvenser. Jag är tacksam för påpekanden om sådant.
